Thomas Rice, of Flackville, N. Y.—I was so run down that I weighed but ninety pounds. My friends and neighbors thought that I had but a few months to live. I took five bottles of Emulsion and gained 21 pounds. I am regarded now by my friends and neighbors as a living miracle.

H. I. Proctor, the leading lumber merchant of Northern New York, says: "I was completely run down, losing flesh rapidly, and alarming lung symptoms were developing. Flax-Seed Emulsion Comp. was prescribed for me, and while taking (10) ten bottles I gained 37 pounds, and health never better than now."
